DAY 4
Hey!
Hey

Why does he always say hello to me every single morning? Is it a joke? Is it like the guys who used to bully me last year all over again? He's probably just making fun of me. Why else would he talk to me? He's not even in my year group. He probably thinks I'm gonna hit on him or something-

Er... Charlie?

you don't have any tissues, do you? My pen.. er.. exploded

Ah, no, sorry
Oh dear. Nick, you'd better go clean up in the bathroom
Charlie, can you go with Nick and open the doors for him?

Sorry about this...
It's fine
Hopefully I'll miss some of first period... I have double science
Ugh! Who d'you have?

Mr Hutchins
Oh my god, I had him last year! He smells so bad of cat food!
He REALLY does
So... how did your pen explode?
It's a fountain pen. They do that sometimes.
Aren't fountain pens really hard to write with?
Yeah, but it makes my handwriting look well nice
It's not coming off!
Haha!! You're gonna be blue forever

I look like I'm wearing blue gloves
You can make it the new school fashion
I'll pretend it's a tattoo!
I think that might be against school rules-

I've been looking for you!
Er... is everything all right?
I didn't know you knew Ben..

Erm... yes?
we'll talk later, Charlie

Why are you friends with Ben Hope? He's kind of a dick
We're not friends!!

I... help him with his maths homework?
...Ok

So... anyway...
I have something to ask you!
Charlie, you may not know this, but I'm gay too, and I'm in love with you. Will you go out with me? I want to be with you forever

Do you want to join the rugby team?
We're short of a player! Everyone seems to prefer football...
Er... well... I don't really know how to play. I don't even watch it on TV.
That's okay! I'll teach you!
But... why me?
I saw you run in P.E. You're really fast!

Erm... aren't I a bit small and weak for rugby?

...

Well, this is only a school team-
So you're saying I'm weak?
No!!

The bell? Lunch is over already?
FUCK I'm missing my drum lesson!
Can I think about it?
Yeah, sure!

I'LL see you later!
He plays the drums?

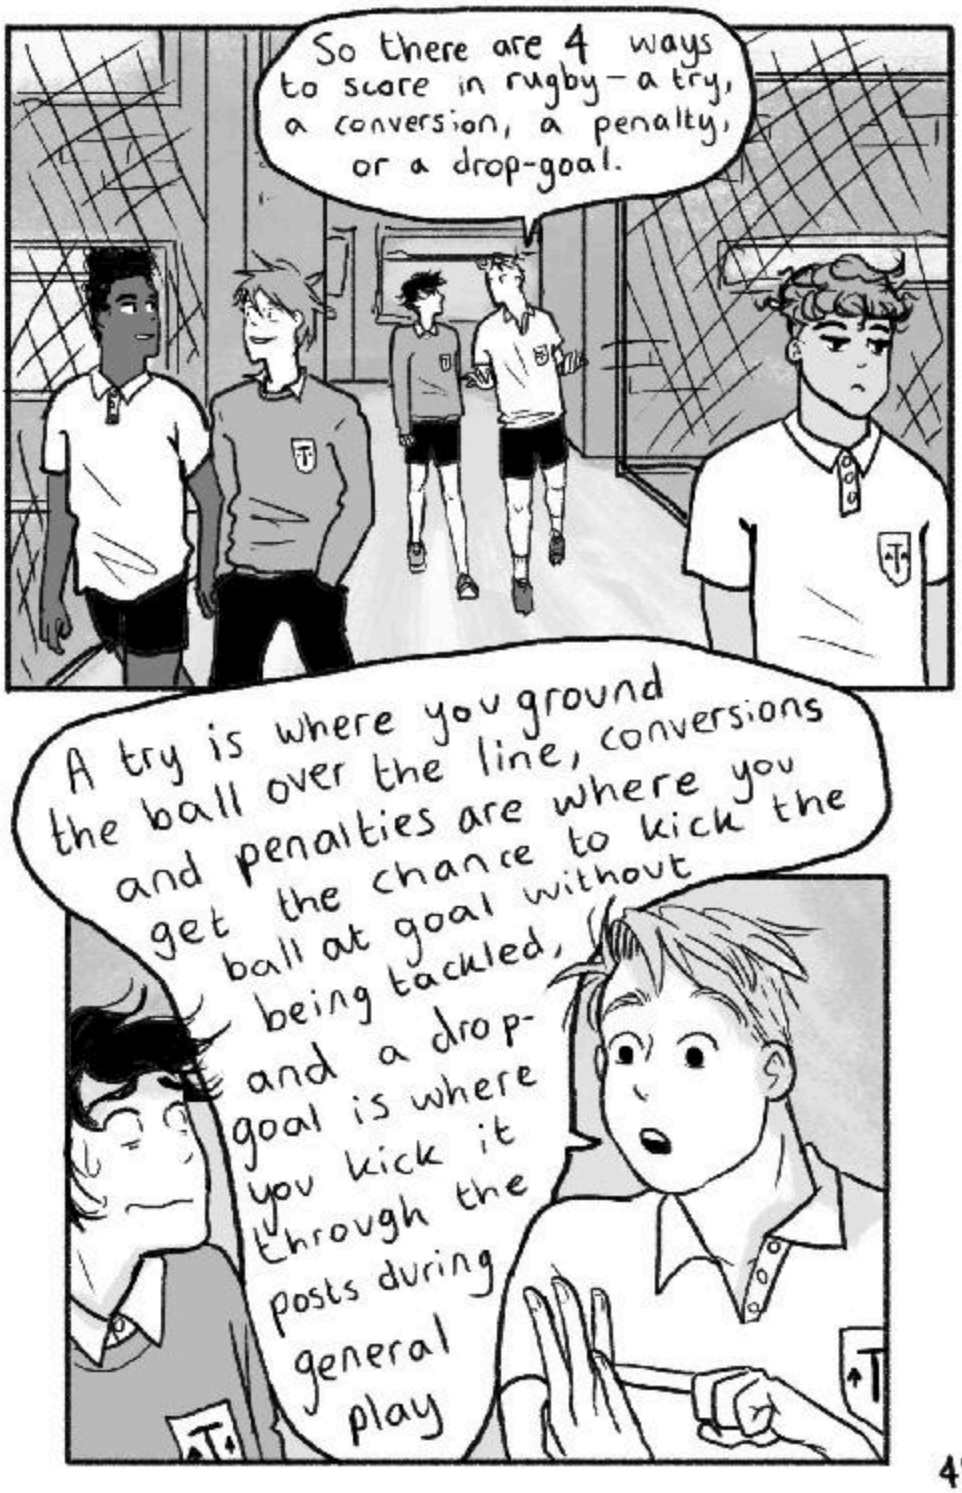

ONE WEEK LATER...
Charlie Spring, though?

yes?
Why him, though?
?
...
!!
He's a fucking stick
!
Like, I know he's popular, everyone loves him, but can he even play?
I'm sure he's a nice guy, but we actually want to be good!
Does he even like sports? Everyone knows he's gay-

CREAK
Hey!

..hey

So there are 4 ways to score in rugby – a try, a conversion, a penalty, or a drop-goal.
A try is where you ground the ball over the line, conversions and penalties are where you get the chance to kick the ball at goal without being tackled, and a drop-goal is where you kick it through the posts during general play

THIS IS A LOT OF INFORMATION
You'll probably pick it up after a few games!
I hope you're prepared for me to be absolutely crap.
You might be better than me, for all we know!
CHARLIE SPRING!!
?

MISS SINGH. P.E. TEACHER. EX SEMI-PRO RUGBY PLAYER.
So. You're the chosen one.

Um

What year are you in?
Year 10
Ever played rugby?
Er.. no...
But Nick says you're a fast runner, yeah?
I.. think so?
Good. We need an extra wing. Know what that is?
No...
Nick, why don't you use today's practise to take Charlie through the basics?
Sure!

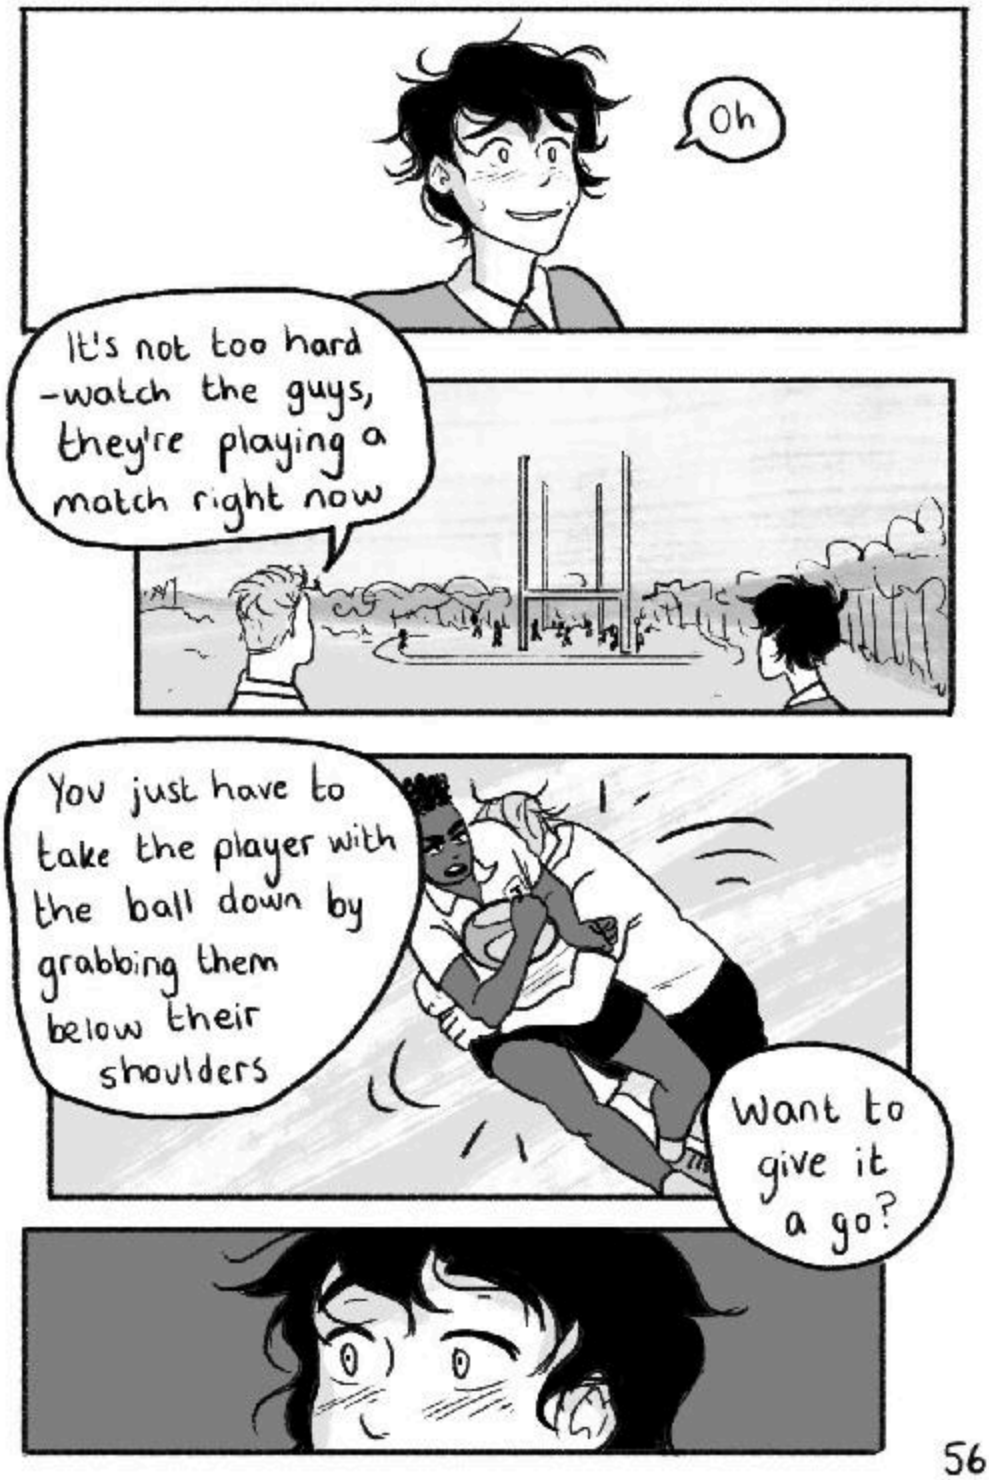

Twist your body a bit more!
Like this?
Yeah! It's like more of an underthrow
So... like this?
Yeah... but aim it at me
I'M TRYING

That's it! I knew you'd get it ☺

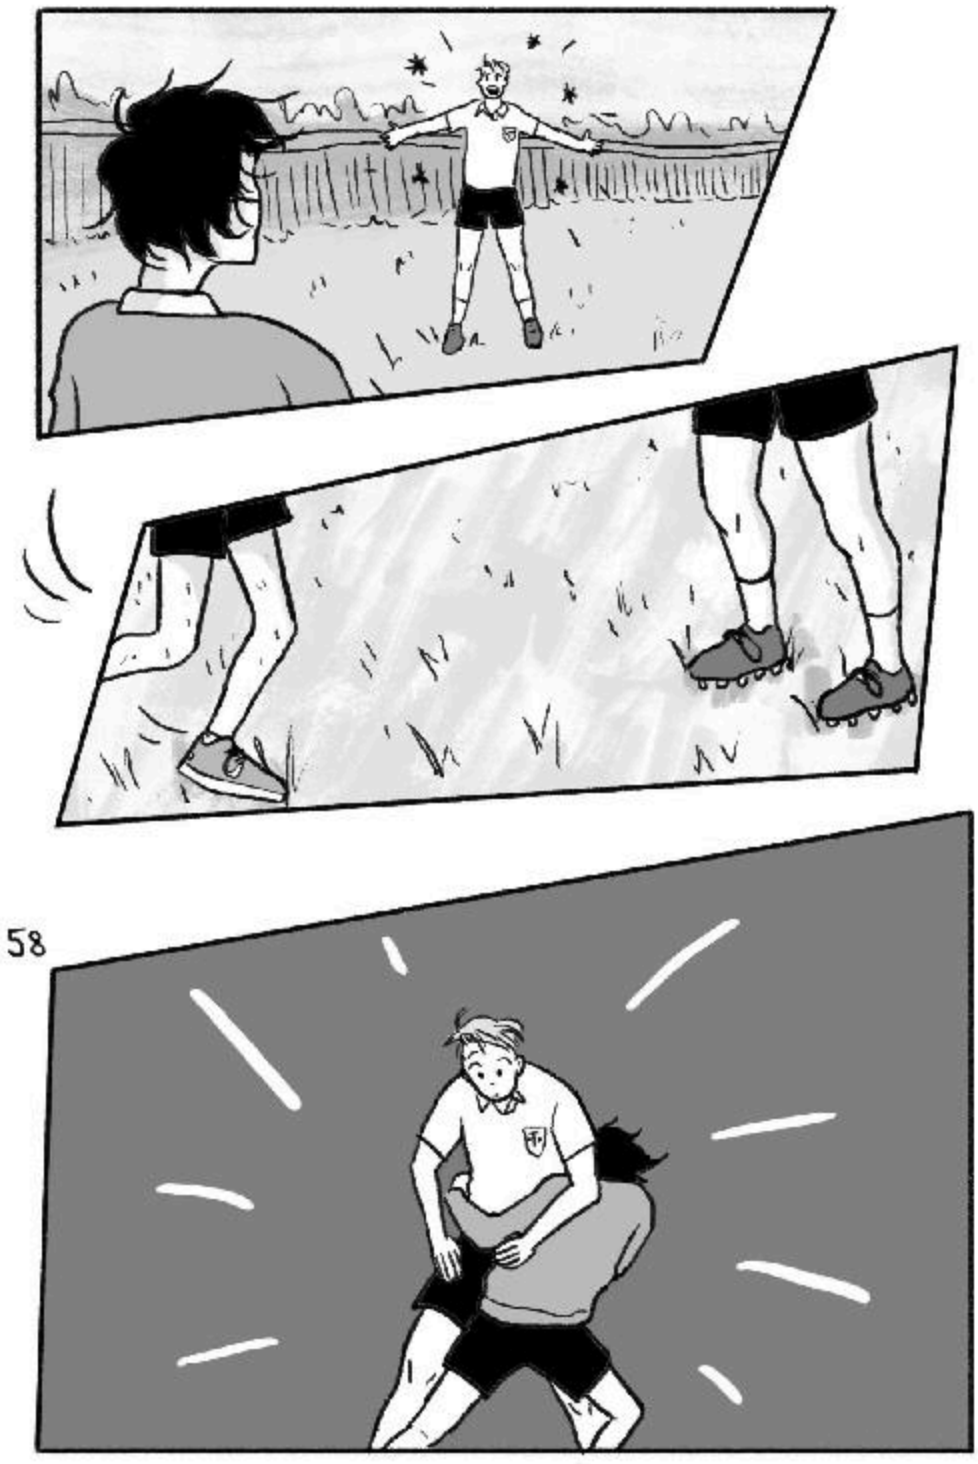

That was... ok?
Yep! Perfect Pass!

You're a natural!
PINCH
Pfft!

...So we've covered passing and scoring...
We've got about 15 minutes left, so-
-do you want to give tackling a go?
..Tackling?

Oh
It's not too hard -watch the guys, they're playing a match right now
You just have to take the player with the ball down by grabbing them below their shoulders
Want to give it a go?

I am definitely **way** too weak to do that
Excuse me – where is your 'can do' attitude?
Give it a go. Just run at me. I won't dodge!
Go onnnn. I bet you can do it.
..Fine

That was perfect!
Was it!?!

Let's try it again while running!

What??
It'd just- it'd be a big change

So... am I, like, actually any good?
What? At rugby? Of course you are!
Yeah?
Why?
I'M JUST A BIT SCARED OF LETTING EVERYONE DOWN AND I DON'T EVEN KNOW WHETHER THEY LIKE ME OR WANT ME ON THE TEAM OR... yeah.

You don't give a SHIT about me. You just found the nearest guy who was willing to make out with you and went for it!
YOU went for it too. Don't be angry at me for not wanting to come out yet.

I'm not angry about that! I'm angry because you never even slightly cared about my feelings at all. We only ever meet up when you want, where you want-

Nick Nelson
Well it started last September
Everyone at school had found out I was gay by then. the bullying had mostly stopped I guess and people had started to be nice to me (there was a group of Sixth Formers who stopped the bullies) but everyone in the school knew i was gay.
So I was practising my drums one morning before form in a practise room and I look up and see Ben looking in through the door window. He walks in and starts telling me how good I am at playing the drums, and I'm just sitting there like 'what the fuck' because I've never spoken to him before in my life... but also kind of freaking out because I thought he was really attractive...
Eventually he comes in and sits next to me and starts talking to me about me coming out at school, and like, how 'brave' I am and stuff... even though it's not like I came out myself or anything, it just got out because I told a couple of people...
And then next thing I know he's just kissing me

And yeah, we just continued to meet up sometimes at school before form. And like... I was so excited about it. I thought I had a boyfriend, or, like, I was having some big romance... But I slowly started to realise he was just using me for someone to make out with... because I was the only gay boy he knew...
and then in January I found out he had a girlfriend as well. Some girl from Higgs school. I don't know if he's bisexual or gay or whatever but it doesn't really change anything. He was just using me.

tap

I tried to end it but he just kept pestering me. I thought I'd just meet up with him one last time to tell him to leave me alone but... yeah. That didn't go well I guess haha

You can't tell whether people are gay by what they look like.
And gay or straight aren't the only two options.
Anyway, it's very rude to speculate about people's sexuality.
